

ELISABET LYON

INTERIOR DESIGNER

elisabetlyonv@gmail.com | 630.730.3840 | South Florida

PROFESSIONAL SUMMARY

Interior designer with experience across luxury hospitality (Hilton, Marriott, Hyatt), residential, and wellness-focused design since 2016, holding a Master of Interior Architecture (FIU) and a Feng Shui & Space Design certification. Known for translating brand and wellness strategy into spatial concepts, from early design development through construction administration.

WORK EXPERIENCE

EDGE OF ARCHITECTURE (EOA) | Project Designer, Hospitality

May 2016 – March 2020 | Coral Gables, FL

Clients: Canopy by Hilton (Washington, DC), The Westin Atlanta Gwinnett - Gas South Arena (Duluth, GA), The Confidant by Hyatt (Miami, FL), Hilton (Marco Island, FL)

- Designed hotel guestrooms and public areas from concept through construction administration for major international hospitality brands.
- Produced space planning, reflected ceiling plans, and elevations; developed rendered elevations and furniture boards for client and internal review.
- Designed custom furniture (casegoods, seating, lighting) and built full artwork packages in coordination with art consultants.
- Selected and specified FF&E, architectural finishes, and materials for contract use; reviewed shop drawings, RFIs, and CFAs during construction administration.

STRANG | Designer, Residential

June 2020 – July 2020 | Coconut Grove, FL

Clients: The Fairchild Grove (Coconut Grove, FL), Elbow Cay Residence (Bahamas)

- Created space planning solutions and full FF&E, artwork, and finish specifications for model units and private residences.
- Produced rendered elevations, furniture packages, and concept presentations for client meetings; managed FF&E budgets, schedules, and deliverables.

CAREER BREAK | July 2020 – August 2022

Full-time caregiving for my first daughter. Completed a Feng Shui & Space Design Certification (2020), including a full client consultation and case study.

CORE ESSENCE | Interior Designer, Wellness Hospitality

August 2022 – April 2023 | Toronto / Miami / Madrid-based wellness design consultancy

- Developed concept presentations and visual design direction for spa, wellness, outdoor, gym, and common-area programming across multiple international resort projects, including Cabot Links Golf Resort (Nova Scotia), Kelowna Hotel and Residences, Oceanstone Seaside Resort, Itz'ana Resort, Le Méridien, and Auberge Saint-Antoine.
- Produced rendered floor plans and elevations.

CAREER BREAK | April 2023 – 2026

Full-time caregiving for my two daughters.
